

REMARKS

By this Amendment, claims 1, 3, and 14 have been amended. No new matter has been introduced by this Amendment. Claims 1-15 are currently pending in this application.

In the Office Action, the Examiner objected to claims 1-15 because of informalities. The Examiner also indicated the reasons for allowance and required the appropriate corrections to be made regarding claims 1, 3 and 14, before the application can pass to issue as being allowable. The Examiner did not object to claims 16 and 17.

Regarding claim 1, Applicants have amended the claim so that the range values in lines 4, 5, 7 and 15 are not enclosed within parentheses. In addition, Applicants have also included a definition of "λrms," and a period after the claim. Regarding claim 3, Applicants have amended the claim to recite "claim 2" instead of "claim2" in line 1. Regarding claim 14, Applicants have amended the claim to delete the word "is" at the end of the claim. Therefore, Applicants submit that the informalities objected to by the Examiner have all been overcome, and the claims fully comply with the statute.

In view of the foregoing Amendment and Remarks, Applicants submit that claims 1-17 are in condition for allowance. Accordingly, Applicants respectfully request reconsideration and reexamination of this application and the timely allowance of the pending claims.

Please grant any extensions of time required to enter this response and charge any additional required fees to Deposit Account No. 06-0916.

Respectfully submitted,
